Environmental Policy

IT Purchasing Consortium Ltd (ITPC) is committed to protecting the environment in which we live and work.

It is company policy to meet all current UK environmental legislation.

We have adopted a policy of, wherever possible, avoiding waste production, and reducing, re-using and recycling, to minimise solid and liquid waste.

We will strive to protect the environment by complying fully with statutory requirements and best practice in the handling, storage, use and disposal of any chemicals that we use.

Our Policy

Our Environmental Policy publicly affirms our commitment to operating in an environmentally responsible manner. Emphasis is placed on continuously improving our performance, by reducing the environmental impact of our operations, and compliance with all relevant environment legislation.

In accordance with the above Policy commitments, ITPC will:

- Ensure our operations are safe for our employees, consumers, and the environment.
- Reduce or prevent the environmental impact of our operations and our products and packaging in their use and disposal.
- Meet or exceed the requirements of environmental laws and regulations.
- Continually assess our environmental technology and programs and monitor progress toward environmental goals.
- Ensure every employee understands and is responsible and accountable for incorporating environmental considerations in daily business activities.
- Have operating policies, programs, and resources in place to implement our environmental policy.
